

# OUR STUDENTS NEED YOUR EXPERTISE!

Become a **partner** for improving health science education for the future by volunteering for the Valley Health Science Advisory Committee!

## VALLEY HEALTH SCIENCE ADVISORY COMMITTEE

**Purpose:** Create partnerships between Spokane Valley high school health science teachers and local health science businesses to update, modify, expand and improve the quality of high school health science programs.

**Valley School District Partners:**

- West Valley School District
- Central Valley School District
- East Valley School District
- Freeman School District

**For more information, please visit**  
<http://spokanevalleycte.org>

- ### YOUR ROLE AS A PARTNER
- Meet with Teachers** Attend 3-5 meetings per year with high school health science teachers
  - Share your Knowledge** Discuss current job skills and knowledge needed for employees in your field
  - Visit Local Schools** Observe current health science education in local Spokane Valley high schools
  - Become a Teacher Resource** Provide work site visits, volunteer as a guest speaker, and provide job shadowing and internship opportunities for students
